### Description of Request

Describe the proposed noncompetitive procurement.

The proposed non-competitive procurement is to allow districts and other Education Service Centers to procure service through the Education Service Center Region 2 and comply with CFR 200 procurement guidelines for the fiscal year September 2, 2019-August 31, 2020.

Do you have a sole-source verification letter from the proposed vendor?  Yes  No

Provide a rationale for why TEA should allow this procurement as a noncompetitive procurement. Additional information may be attached. Additional information may be requested by TEA.

The Education Service Center Region 2 believes that the non competitive procurement should be granted for Education Service Center Region 2 in order to help districts and other Education Service Centers realize cost savings from having to go out for competitive bids for each service needed that we provide. The Education Service Center Region 2 is for many districts and other Education Service Centers the most cost efficient option for them and requiring them to competitively procure each service would unnecessarily burden the district.
